

# We Like to Thank Our Sponsors

# rainbarrels {2010}

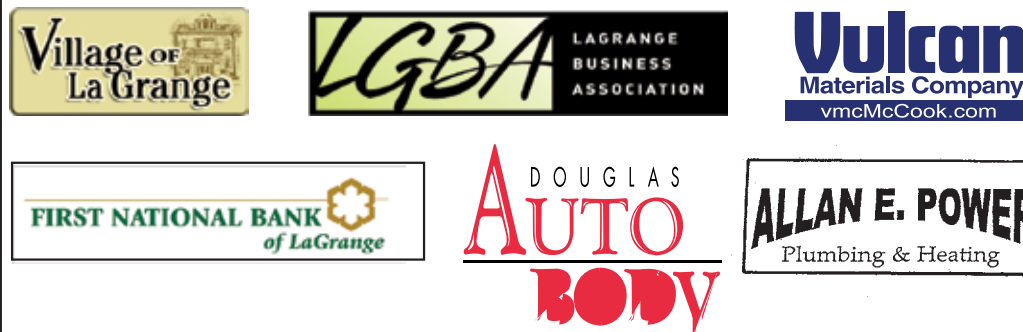

Have a barrel of fun all summer long! Local artists and groups created works of art from eco-friendly rain barrels. Beautiful and functional, they showcase the Village of La Grange, its businesses, and the importance of water conservation.

Come to the auction on September 10, 2010 at the La Grange Village Hall and bid on your favorite of the 72 rain barrels on display. Proceeds benefit Pets and Pals Charities. Visit [www.lgbarainbarrels.com](http://www.lgbarainbarrels.com) for more information, to see pictures of all the barrels, and to vote for your favorite!

Enjoy!  
Ryan Williamson, LGBA President
